

# New Castle FOOD SCRAP RECYCLING

The Town of New Castle has launched a food scrap recycling program! Residents can now bring ALL food scraps to the Food Scrap Drop-off Site at the New Castle Recycling Center. We are proudly one of the first towns in Westchester to offer this service!

This program is for more than just backyard composting items: all food scraps are accepted, including fruits, vegetables, meat, bones, fish, dairy, bread, rice, pasta, raw and cooked food, as well as cut flowers, napkins, paper towels and wax paper. The material is then brought to a compost facility and turned into soil!

## How does it work?

Collect food scraps & paper products in a **countertop pail** using **compostable bags**

Store bags of food scraps in a **storage and transportation bin**

Bring your **storage and transportation bin** to the Recycling Center and empty into the bins at the Food Scrap Drop-off Site

## What do I need to start?

Food scrap recycling “starter kits” are required and make it easy to participate. They are available at the New Castle Recycling Center Office for \$25/kit.

Kits include:

- Countertop Pail
- Storage and Transportation Bin
- Rolls of 25 Compostable Bags for the pail and the bin

**Questions? Email [Composting@MyNewCastle.org](mailto:Composting@MyNewCastle.org) or call the Recycling Center at 914.238-8525**

**New Castle Recycling Center • 210 Hunts Lane • Wed – Sat 7am – 2:30pm**
